Object: Peace crane project

Bain-de-Bretagne, the 17<sup>th</sup> of June, 2021

Hello,

We did it finally, 1000 paper cranes!

We want to thank you for your initiative.

We took time to talk about what happened in Hiroshima on August 1945 with our middle school students, in order to make them aware of this part of history. Making those paper cranes is also our way to wish for peace all around the world. More than 500 students and teachers shared that experience.

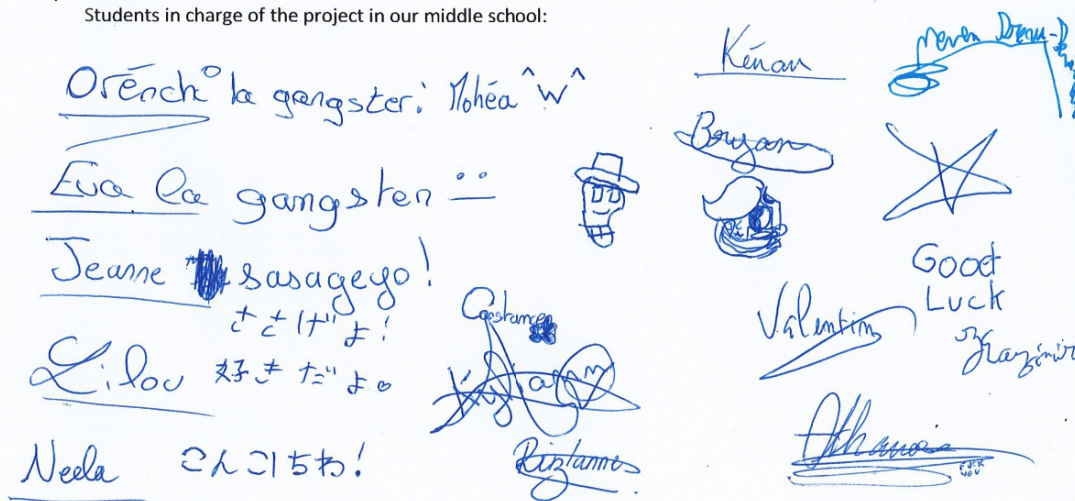

Would it be possible to have a feed back with a picture of our craft work? Our email address is as follow: slenouvel@stjobain35.org

Thank you very much.

Sincerely yours,

Mrs Lenouvel

Students in charge of the project in our middle school:
